Methods of Delivery

Hence,

- We are now moving from the traditional topic based teaching to outcome-based education

Outcomes Based Education (OBE)

- OBE is education based on producing particular educational outcomes that:
 - Focus on what students can actually do after they are taught
 - Expect all learners / students to successfully achieve particular (sometimes minimum) level of knowledge and abilities.

So...What is OBE?

It's
NOT

What we want to teach,

It's
What You should learn
